

## REMARKS

The Applicant has amended the Specification to update the reference to priority applications and to place the Abstract on a separate page. Claims 46 and 47 have been canceled because they are written in a format that is not acceptable to the USPTO. No new matter has been entered. Claims 1-45 are respectfully submitted for consideration.

No additional fees are believed to arise due to the submission of this Preliminary Amendment, however, the Commissioner is hereby authorized to charge any additional required fees to Deposit Account No. 19-0365.

The Applicant believes that the next step in the prosecution of this Application should be in the form of a Notice of Allowance and such action is respectfully solicited.

If the undersigned can be of any assistance to the Examiner in addressing issues to advance the application to allowance, please contact the undersigned at the number set forth below.

Respectfully submitted,
